My name is Jane Brown . I am fourteen and I have a five-year-old brother . When Bob was born , I was very happy , but now I don't like him and I'm always angry with him . I must look after Bob , take him to school and bring him back home , play with him and watch his stupid TV programmes .

If anything goes wrong , I get into trouble even if it is not my fault . Last week , Bob emptied Dad's pen on the carpet . As he was frightened of Mum's reaction, he brought a newspaper and put it over the carpet to hide the spots of ink . Yesterday he broke the glass living-room table , and every time it is my fault . Dad says I don't look after him properly . That's not fair , is it ?
